

Buzzsaw Wasp & Hornet Killer

Product # 8401

Kills stinging insects

This powerful aerosol features two key ingredients to make it one of the most versatile insecticides available. The first ingredient, Tetramethrin, provides fast knockdown to kill insects on the spot. The other ingredient, Phenothrin, offers excellent residual action. It also features high dielectric strength, so it's safe to use around electrical equipment, and its "shotgun action" can hit insects and hives up to 20 feet away.

Use indoors and outdoors:

- Around Electrical Equipment
- Cracks and Crevices
- Attics
- Eaves
- Porches
- Patios
- Power Lines
- Window Frames

Effective Against

- Flying Wasps
- Hornets and hornet nests
- Yellow Jackets

Features and Benefits

- Shotgun-type blast kills from up to 20 feet away.
- Use both outdoors and indoors, wherever wasps and hornets build nests.
- Formulated with Tetramethrin for fast knockdown and Phenothrin for long-lasting residual action.

Properties

Appearance.....	Colorless liquid
Fragrance.....	Solvent
Specific gravity.....	0.826
Dielectric Strength.....	41,000 volts
Propellant.....	Carbon dioxide
Spray Pattern.....	20 foot shotgun blast

Directions Complete directions on product label
Spray nest until thoroughly saturated. Nest may be removed 48 hours after spraying.
