Rubbermaid® Brute® Containers & Lids

- Polyethylene construction prevents rust, dents and leaks
- Choose from maneuverable rollout or compact round styles

Use Rubbermaid Brute containers and lids for all types of storage and collection including trash, recycling and parts storage. Made from tough gray polyethylene, these units provide superior protection against rust, dents and leaks. Choose from two container styles.

Rollout containers feature attached lids and provide expanded mobility. Choose from three sizes; all are compatible with automated lifting equipment.

Round containers feature reinforced rims and bases for exceptional strength and stability. Built-in handles allow easy lifting and nesting. Order optional lids and dolly separately.

Shipping: Select models ship motor freight. Contact USABlueBook for more information.
