USA BlueBook BRAND PRODUCTS

YOUR BEST VALUE!

USA BlueBook Multi-Purpose Wipes

- Recommended for the water and wastewater professional
- Heavy-duty formula cleans hands without drying them out

No need for water, soap or rinsing! USA BlueBook Multi-Purpose Wipes are pre-moistened with a high-powered, grease-cutting formula that lifts tar, adhesives, ink, paint and lubricants away from your hands. Their superior grease-grabbing performance also makes them ideal for cleaning tools and equipment.

The embedded natural oils and moisturizers are safe for the skin, and won't dry it out like similar products do. Non-scratching wipes feature one smooth side and one abrasive side for scrubbing. Citrus scent.

XSORB® Rock Solid® Paint Solidifier

- Thickens paint into a disposable solid in minutes
- Non-toxic and eco-friendly

Leftover paint in liquid form cannot be thrown away in landfills. Rock Solid paint solidifier is the solution for easy and safe disposal. Just add to paint and shake or stir; paint thickens into a solid within minutes. Dispose in accordance with local regulations. Works with all water-based, latex and oil-based paints. Also great for spills.

RUST-OLEUM® INDUSTRIAL BRANDS

Rust-Oleum® Pre-Paint & Cleaning Wipes

- Clean and prep surfaces for optimal coating adhesion
- Use on equipment, machinery, pipes, handrails, walls, doors and more

Paint won't perform well if the surface you're painting is dirty, greasy or contains residue. In one easy step, Rust-Oleum Pre-Paint and Cleaning Wipes let you clean and prep a surface to ensure a successful painting project. Wipes leave no residue and have a fresh citrus scent. Includes 90 dual-textured industrial wipes with a smooth side and an abrasive side for extra cleaning power.
