Fido House® Pet Stations

- Helps keep common areas clean

Fido House pet stations are the perfect solution to keeping your common areas clean. The all-in-one station includes a 12" x 18" pet waste sign, 8' channel post, bag dispenser (bags sold separately), and 10-gallon waste receptacle.

Purchase additional bag dispensers to hang on posts or directly to a wall. Order pet waste bags separately. Bags come in packs of 200 and are sold 12 packs per case for a total of 2,400 bags.

Easy to empty

SafeSmoker™ Cigarette Receptacles

- Polyethylene outer shell won't rust or fade
- Rain-protective design keeps water out and eliminates waste smells

SafeSmoker cigarette receptacles feature a long-stem design that restricts oxygen to quickly extinguish burning butts. Their galvanized steel collection bucket and high-density polyethylene construction with UV inhibitors are built to withstand extreme outdoor conditions. These easy-to-empty units eliminate waste smells with their removable, rain protective top. Hold-down tabs are included for security and wind protection. Choose from two sizes. Beige, black or gray color.

Shipping: Additional shipping fees apply to 4-gal models.

Rubbermaid® Brute® Containers & Lids

- Polyethylene construction prevents rust, dents and leaks
- Choose from maneuverable rollout or compact round styles

Use Rubbermaid Brute containers and lids for all types of storage and collection including trash, recycling and parts storage. Made from tough gray polyethylene, these units provide superior protection against rust, dents and leaks. Choose from two container styles.

Rollout containers feature attached lids and provide expanded mobility. Choose from three sizes; all are compatible with automated lifting equipment.

Round containers feature reinforced rims and bases for exceptional strength and stability. Built-in handles allow easy lifting and nesting. Order optional lids and dolly separately.

Shipping: Select models ship motor freight. Contact USABlueBook for more information.
