All-Weather Hose Kits

PVC Hose Kits

### USABlueBook Hose Kits

• Easy-to-order kits include everything but the pump!

USABlueBook's convenient hose kits come complete with a suction hose, discharge hose and steel strainer. **Kits w/ threaded fittings** include a spanner wrench. **Kits w/ quick-connect fittings** include quick-connect pump adapters; suction hose also features an NPT male threaded end for easy attachment to the steel suction strainer.

**Shipping:** Additional shipping fees apply. Select models ship motor freight. Contact USABlueBook for more information.

Rubber Hose Kits

See pages 512-518 for accessories to go with suction hose.

### Hose kits make ordering easy!

You spoke, and we listened! In an effort to make ordering hose easier, USABlueBook has put together a series of Hose Kits that include our most frequently requested suction hose, discharge hose and steel strainers. We've even included an installation tool (kits with lug-style connectors only). Now, instead of having to look up several different items, you can order everything you need in one convenient kit—all you need is a pump!

operator notes

### Honda WT Self-Priming Trash Pumps

- Honda brand—years of trouble-free service
- Silicon carbide seals allow extended service
- SS wear plate ensures optimum performance

Use these heavy-duty pumps for jobs that require solids handling, including pumping out ditches, excavations and clarifiers. They're available with flow rates up to 433 gpm. All models are powered by reliable Honda commercial-grade GX engines, and come standard with Oil Alert<sup>®</sup> to protect your engine should its oil run low.
