

Mechanics/High Dexterity Gloves

Extreme Works™ Multi-PleX™ Gloves

- Strong, comfortable and long lasting
- Touchscreen capability on index finger

The perfect go-to gloves for everyday work! The 4-way stretch spandex material forms to your hand and is extremely comfortable. Foam padding on the knuckle provides protection against impact. Padded ToughX™ suede palms are designed for long-lasting durability. Gloves also feature a honeycomb hook-and-loop closure, reinforced thumb saddle and XTouch™ index finger touchscreen capability. Sold by the pair.

Extreme Works™ Strike ProteX™ Gloves

- Excellent dexterity and flexible fit
- Padding across knuckle protects against impact
- Xlock Cuff™ provides great wrist mobility

These extreme performance gloves are great for water and wastewater plants, construction sites and plumbing/HVAC applications. Gloves are constructed of 4-way stretch spandex with a silicone knuckle guard that reduces the impact of bumps and hits to the knuckles. The honeycomb pattern is designed to be lightweight, breathable, flexible and fast drying. Gloves also feature hook-and-loop wrist closure, and touchscreen capability. Sold by the pair.

Extreme Works™ LocX-On™ Grip Gloves

- Enhanced grip in a thinner, stronger glove
- Reinforced thumb saddle
- Reduced bunching around fingers decreases hand fatigue

These gloves feature a silicone grip palm with reinforced pattern throughout the palm and fingers for enhanced grip and great comfort. Breathable form-fitting 4-way stretch spandex and mesh back provides extreme flexibility. Gloves also feature honeycomb pattern hook-and-loop wrist closure and touch screen capability on index finger. Sold by the pair.
